The Director of Central Intelligence

Washington, D.C. 20505

National Intelligence Council

NIC #00144-87
14 January 1987

MEMORANDUM FOR: Director of Security

FROM: Brig Gen Frank B. Horton III, USAF
Chairman, National Intelligence Council

SUBJECT: DCI Military Advisory Panel

1. You will recall that the NIC hosts the Military Advisory Panel approximately once each quarter for two days of discussions on National Intelligence Estimates related to military issues. The Panel is chaired by Ambassador Seymour Weiss and its membership includes seven distinguished retired officers of the US armed services, members of academia, and representatives of the private sector.
2. During the course of deliberations with NIC and Intelligence Community officers and the DCI and DDCI, the group is made privy to extremely sensitive classified information that may not be available to them as individuals through other contacts.
3. I think it prudent to request that their security files be reviewed to ensure that each has signed all requisite agreements, including those related to pre-publication review. In addition, I believe that the group as a whole would benefit from a short briefing by OS officers of your choice on the security responsibilities that attend their unique status. The Panel next meets on 12-13 March 1987 at HQ in the NIC, Room 7E62.
4. Attached for your use in a list of the members of the MAP and relevant data for each on DPOB, SSN, residence, and place of business.

Frank B. Horton III
